

The MCGA held their annual Christmas Potluck, Saturday, Jan. 21, 2018 at the Belleview United Methodist Church with nine members present. No formal meeting was held.

According to President Sandy Hinrichs, a discussion was held prior to the luncheon about different ways the Patch could raise money. Suggestions included a monthly 50/50, a yard sale or possibly an increase in the monthly class fee. The reason for this is the increase in monthly rent from prior years, supplies, etc. This will be discussed at the February meeting .

She also reminded members there will be an election of officers month with installation in March. She asked if anyone was interested in putting their name in for office, especially publicity. No response

The potluck followed the discussion and was enjoyed by all attending. Stephanie Clere raffled off a door decoration she had made.

The project scheduled to be made was cancelled due to illness.

Information given by Sandy. I was out of state at the time. Lou White
