I had to research all the way back to July when income and expenses started. In September we had several teachers and other expenses to pay due to the delay in getting the MCGA account set up after the Al Harnage resigned. This is a pretty accurate report for this year's show.

I would like to thank all the members who either worked at the show or submitted items for our raffle, which I felt was a big success. A special Thanks to Ella, Carole and Stephanie who all put in a lot of time and effort on this year's show.

Respectively submitted Sect-Trea...

Lou White(thanks Hazel for taking the notes for me)
